Concerns:

- Will Dave stay?
- Need Treasurer

President Position:

- Dave does too much. We need to delegate
- We think Dave will stay if we divide the work
- We need fresh faces to take on positions
- Positions that need to be filled are:
  - Equipment Manager: Pauly
  - Registrar: Geri
  - Treasurer: Dave to finish season, then Kyle maybe interested
  - Banquet Co-ordinator: Becky
  - Practice Scheduler to tweak the schedule if Finlayson is too loaded, and maybe look at gyms: Nick Warrington
  - Field Scheduling: Dave keeps, including scheduling games on practice nights, though requests should go through the Scheduler (Nick)
  - Web page & scores: Ken Mairs
  - Club headlines: Dave keeps
  - Banquet host: Dave

Other Issues:

- Light keys: Teams need to ask if they don't have a set
- We need to schedule "on call" weekends for Clubhouse key holders
- Equipment Storage: Ken Mairs & Pauly have room for end of year storage
- Use the website and the discussion board more to create interest in the Club and your team. Register and give longer play by plays of your games

Player Bursary?

- Do we want to start a fund for players who can't afford to play?
- We could increase everyone's fees to cover, or maybe teams could choose a player to sponsor
- If so, do we want to formalize it and make it a submission to the Club instead of to their team, which would make it easier for people to apply for?
- Andy L wants to discuss this further

Upcoming Events:

- March 31<sup>st</sup> pig roast by Over 40s & Over 30 ladies
  - Will have the casino shuttle stopping by
- Div 1 FC is having a bottle drive to fundraise for Women's Masters
